

You are invited to share a message International Women in Engineering Day

Need inspiration?

a celebration of a woman engineer
a former student
researcher, a historical figure
contemporary

a thank you to anyone who inspires
you from outside engineering

a message of support from
any

a wish for the future

words of encouragement
young women considering
subjects at school or university

This year is celebrated on 23 June 2020 by
Ferheen Ayaz, research fellow and School
EDI/AS member

The tree will be an online tree and
submissions can be emailed in to info@eng.edi.ac.uk

INTERNATIONAL WOMEN
IN ENGINEERING DAY

23 June 2020

23 June

International
Women

in Engineering Day

Practised in many cultures, Wish Trees are used by many for communicating one's wishes, hopes and dreams. The tradition involves attaching these offerings to trees.
